Gentle skincare

“We are pioneers of certified premium natural cosmetics: for around 20 years we have been researching and developing innovative products with high standards of compatibility and effectiveness. Over 70 studies and more than 10 patents influenced this skincare range.

The result: the highest compatibility and Better Aging active ingredient competence in certified organic cosmetics.”

Dr. Hauck

GENTLE SKINCARE

Ultra compatible. Cosmetically effective.

We use carefully selected, mild raw materials. Only the best and most sustainable natural active ingredients are used. Without perfumes of course and mostly without emulsifiers. Therefore, the Better Aging cosmetics are also suitable for women with very sensitive skin.

We are particularly proud of our special Dr. Hauck active ingredient complex with protected recipe. Immediate effects are visible wrinkle reduction and increased moisture in the skin. Studies have proven: Dr. Hauck premium cosmetic products sustainably refine and improve the appearance of the skin.

We manufacture our high quality and innovative facial skincare products under the conditions for pharmaceuticals – without animal testing of course. These certified natural cosmetics are based on highly compatible cream bases with the maximum organic content.

Natural cosmetics that work.

GENTLE SKINCARE

Dr. Hauck active ingredient complex

Our already internationally renowned active ingredient complex was developed in our own research institute Dr. Hauck R&D GmbH. We see ourselves as pioneers in many new areas of the safety and effectiveness of natural cosmetics.

+ **ORGANIC – Amino acid complex**

Moisturises the skin with a natural amino acid spectrum.
Reduces wrinkles, calms and smooths.

+ **Antioxidant complex**

Protects the cells against DNA damage, aging and collagen reduction. Protects the product from oxygen induced allergens and irritant products.

+ **Rose of Jericho (resurrection plant)**

Allows the skin to be “resurrected”.
Smooths, moisturises and provides intensive nourishment.

+ **Hyaluronic acid deposit**

Various hyaluronic acids form a deposit. It moisturises, calms, plumps wrinkles and refines the whole complexion.

CLEANSING

CLEANSER

Dr. Hauck CLEANSER gently cleanses the skin of make-up and excess metabolic products. An intensively effective cleansing milk. Gentle on the skin. Free from emulsifiers.

MICELLAR WATER

Dr. Hauck MICELLAR WATER for pore deep, ultra mild cleansing of face and eye area. With pleasant light and liquid texture. Free from emulsifiers.

SPECIAL SKINCARE

LIFTING SERUM

Dr. Hauck LIFTING SERUM has an immediate and visible effect on wrinkles. With purely plant based active ingredients. Extremely high percentage of hyaluronic acid. Oil nutrients promote an intact skin barrier. Improves collagen synthesis and regenerates skin cells. Smooths expression lines for a fresh appearance. As a treatment or accompanying skincare. Free from emulsifiers.

DNA REPAIR SERUM

Dr. Hauck DNA REPAIR SERUM for intensive regeneration and moisturising. Enriched with antioxidant repair agents (astaxanthin). The serum with oil nutrients acts deep in the skin and promotes cell protection. Improves collagen synthesis and regenerates skin cells. As a treatment or accompanying skincare. Free from emulsifiers.

CALMING SERUM

Dr. Hauck CALMING SERUM calms irritated skin with natural active ingredients. Nourishes gently and effectively. Protects against light related skin aging. Oil nutrients promote an intact skin barrier. Improves collagen synthesis and regenerates skin cells. The serum is ideally suited for daily skincare. Free from emulsifiers.

VITAMIN OIL BOOSTER

In diesem natürlichen Vitamin Konzentrat regenerierte Stammzellen aus Himbeersamen die hauteigene Hyaluron- und Zellbildung an, fördern die Elastizität und verleihen ein weiches Hautgefühl. Das Antioxidans Astaxanthin wirkt 6000 mal stärker als Vitamin C. Zur Verstärkung der Pflege darunter oder kurativ.

Social commitment

Each of our products invests in the health of women and children.

We support a children's hospital in Niger, which has been run by the aid organisation humedica since 2009. The hospital provides medical care for the population, with the focus on mother and child care and midwifery.

With every purchase of a skincare product from Dr. Hauck, one Euro goes to support the project.

BETTER AGING

WATER CREAM

Dr. Hauck WATER CREAM lends the skin a youthful, fresh appearance and noticeable lightness. Highly effective moisturising gel cream with pleasant, lightweight texture. Reduces wrinkles, regenerates skin cells and supports the natural beauty of the skin. Low oil content, therefore ideal as day cream, particularly in summer.

BEAUTY FLUID

Dr. Hauck BEAUTY FLUID has a harmonising effect, and forms a nice, light protective film. Provides a pleasant, smooth skin feeling. Is absorbed quickly and produces a balanced moisture deposit. Reduces wrinkles, regenerates skin cells and supports the natural beauty of the skin.

7 DAY CREAM

Dr. Hauck 7 DAY CREAM is the Better Aging skincare for every day. With a high moisture content. Has a lasting effect and is absorbed immediately. The highly effective texture protects the natural skin barrier. Reduces wrinkles, regenerates skin cells and supports the natural beauty of the skin.

NIGHT CREAM

Dr. Hauck NIGHT CREAM nourishes and pampers the skin overnight. A rich cream with perfect Better Aging effect. For noticeably smooth and soft skin. The highly effective texture protects the natural skin barrier. Reduces wrinkles, regenerates skin cells and supports the natural beauty of the skin.

EYE & LIP DNA REPAIR

Photolyase enzyme is based on algae, helps prevent skin aging and repair skin cells damaged by solar radiation. Astaxanthin is 6000 times more effective than vitamin C and protects against free radicals, generated by UV radiation. In addition, hibiscus seed extract relaxes the facial muscles. Dark circles under the eyes are visibly reduced.

TONING

TONER

Dr. Hauck TONER for a more even and smooth complexion. Ideal base and preparation before applying a serum or day cream. Provides moisture, and has a nourishing and calming effect.
